MESSAGE FROM THE EXECUTIVE HEADTEACHER

Dear Parents and Carers,

It has been another busy and exciting week across St Alphege as we come to the end of our first half term together.

At the Infant School, we had our school photographs this week, while at the Junior School, Year 4 Topaz had the exciting opportunity to perform at the SMART Theatre. It was a fantastic show, with an important message about the impact our choices can have on our world. We were incredibly proud of the children and the way they represented St Alphege.

As we look ahead, we will be sending out a letter this week sharing some of the key dates and events for next half term, so please do look out for this. There is already plenty to look forward to when we return!

Finally, as my first half term at St Alphege comes to an end, I simply want to say thank you. Thank you for the warmth with which you have welcomed me, for the conversations on the gates, and for the support you have shown our schools. You have helped to make my first half term one filled with love and joy, and I feel very fortunate to be part of this wonderful community.

I hope you and your families have a restful and enjoyable half-term break, and I look forward to welcoming everyone back for another exciting half term together.

Mr Mark Carr

ATTENDANCE-OPOLY!

Each week in Celebration Worship we celebrate the class in each school who has had the best attendance over the week.

That class moves around the 'Attendance-opoly' board and can pick up prizes along the way, such as doubling your score, a tasty treat or additional play time!

Every Day Matters

Regular attendance is so important in helping children feel settled, confident and successful at school. Each day builds on the learning from the day before, and even occasional absences can make it harder for children to keep up with new learning and routines.

We completely understand that children will sometimes be unwell and need to stay at home. However, whenever your child is well enough to attend, please help us by making sure they are in school and arrive on time each day. Working together, we can give every child the best possible opportunity to learn, thrive and enjoy being part of our school community.

This weeks attendance was....

Infant and Nursery - Whole School Attendance = 93.3%

Winning Class - Blue Class =97.8%

Junior School - Whole School Attendance = 96.5%

Winning Class - Sapphire class 98.7%

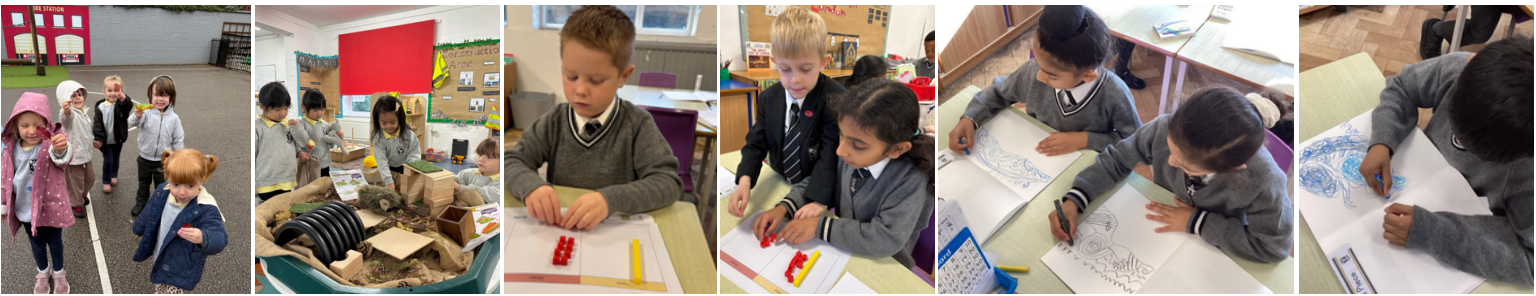

Well done for your winning attendance!

INFANT & NURSERY SCHOOL

As we reach the final week of our first half term, it feels like the perfect opportunity to reflect on what a wonderful start the children have made in their new classes. We have already shared so many special moments together, from our Harvest Festival celebrations and the annual Conker Competitions to welcoming families into school for our open events. We have also enjoyed celebrating the achievements of our children through our celebration worships. A huge congratulations to all of our Half Term Award winners, who were chosen for consistently demonstrating our school vision of Love. We are incredibly proud of them and look forward to celebrating their success at a special tea party in the first week back after half term.

Finally, we would like to send our warmest congratulations to Mrs Lawson and her husband on the safe arrival of their beautiful baby girl, Poppy. We are delighted for them and wish them lots of happiness as they enjoy this very special time together.

Have a wonderful half term break, and we look forward to welcoming everyone back refreshed and ready for another exciting half term. 🌞🍂

YEAR 2 WEEKLY NEWS

It has been another busy and exciting week in Year 2. In maths, we have been developing our spatial reasoning skills as part of Mastering Number. The children have been challenged to look carefully at shapes, visualise them in their minds, draw what they can see and identify hidden shapes within larger pictures. We have really enjoyed these activities, which have helped us to develop our understanding of shape and think more carefully about how shapes fit together.

In English, we have continued our learning inspired by The Barnabus Project. We have used our imaginations to design and create our own failed projects. We then brought our creations to life by writing detailed descriptions and creating case files to share information about them. The children have loved being creative and developing their descriptive writing skills. In art, we have been creating our final pieces inspired by the artist Beth Krommes. We have carefully developed our drawing skills, practising how to draw shells and waves before combining these elements to create our own seaside scenes. We have thought about the details we can include in our drawings and how different lines and shapes can bring our artwork to life. We are incredibly proud of the care, creativity and perseverance the children have shown in completing their final pieces. Well done, Year 2, for another fantastic week of learning!

What an amazing first half-term we've had at the Infant and Nursery School!

JUNIOR SCHOOL

What a fantastic way to round off our first half term at the Junior School! This week, Topaz Class (Year 4) took to the stage at the SMART Theatre for their much-anticipated production, having rehearsed their socks off in preparation! We are so proud of all their hard work and the confidence they showed. On Thursday, some of our Year 5 children represented the school in an after-school dodgeball tournament, showing brilliant teamwork and determination.

We rounded off the week with our half-termly awards, celebrating some of the wonderful achievements of our children, and a well-deserved non-uniform day!

As we reach the end of our first half term, we couldn't be prouder of how well our children have settled into the new academic year. They have worked incredibly hard, embraced new opportunities and shown us so much to celebrate. A huge thank you to our children, staff and families for making it such a positive start to the year.

A quick reminder that individual and sibling photographs will take place at the Junior School during our first week back, on Friday 6th November.

We hope you all enjoy a well-earned rest over half term, and we look forward to welcoming everyone back refreshed and ready for another exciting few weeks!

YEAR 4 WEEKLY NEWS

Topaz class performed amazingly well in their class show on Tuesday. We are so proud of them! Throughout this week, the children have worked hard using written methods for addition, subtraction with exchange and have begun to learn how to make accurate estimates. In English, it was Performance Poetry Week. The children acted as Performance Detectives whilst watching a prerecorded Michael Rosen performance of 'Chocolate Cake', where they had to spot the different techniques that he used throughout his performance. They then planned and performed their own versions of the poem 'Tin Can Band'. In Geography, the children researched the local River Rea and then began to use this information to present a double-page spread. They even learnt more about human digestion in Science! Emerald Class have been sharpening their netball skills and exploring the importance of democracy by working together to create a Table Charter in PSHE, ensuring everyone's voice is heard. Year 4 have had a very busy last week of the half-term. Time for a well-deserved rest!

Well done to Topaz on their fantastic performance!

SEND AT ST ALPHEGE

A TEAM AROUND YOUR CHILD

At St Alphege we work closely with a range of external agencies who can provide additional advice, assessment and specialist support when needed. This helps us to understand a child's needs more fully and to put the right support in place so that they can thrive.

We will always work in partnership with families and will discuss any referrals with you before they are made.

SISS SEMH TEAM

Social, Emotional and Mental Health Team

The Specialist Inclusion Support Service (SISS) SEMH Team provides advice, guidance and targeted support for children with social, emotional and mental health needs.

They can help with:

- ♥ Understanding emotional needs
- ♥ Strategies for regulation and wellbeing
- ♥ Supporting behaviour and social skills
- ♥ Advice and training for school staff

SISS AUTISM TEAM

Autism and Communication

The SISS Autism Team supports children with Autism and social communication needs through assessment, advice and tailored strategies.

They can help with:

- ♥ Understanding a child's profile of need
- ♥ Strategies to support communication, interaction and flexibility
- ♥ Advice on learning environments and resources
- ♥ Training and guidance for staff

SENTAA

Assessment, Cognition and Learning

SENTAA supports us to unpick learning and cognition needs. They provide specialist assessment, advice and work directly with teachers to develop effective strategies in the classroom.

They can help with:

- ♥ Understanding how a child learns
- ♥ Specialist assessment of cognition and learning needs
- ♥ Advice and strategies for classroom practice
- ♥ Consultation and training for school staff

EDUCATIONAL PSYCHOLOGY (EP)

Educational Psychologists work with school to explore a child's learning, emotional and social development. They provide advice, carry out assessments and help us to plan effective support.

They can help with:

- ♥ Understanding learning needs
- ♥ Strategies for cognition, behaviour and emotional wellbeing
- ♥ Supporting inclusion and access to learning
- ♥ Advice for parents and staff

OCCUPATIONAL THERAPY (OT)

Supporting independence

Occupational Therapists help children who may have difficulties with their sensory processing, fine and gross motor skills, or everyday skills such as handwriting, self-care and independence.

They can help with:

- ♥ Sensory processing needs
- ♥ Fine and gross motor skills
- ♥ Handwriting and physical development
- ♥ Advice on equipment and strategies

SOLAR

Supporting emotional wellbeing and resilience

SOLAR (Social and Emotional Learning and Resilience) provides early support for children experiencing anxiety, low mood or wider mental health needs.

They can help with:

- ♥ Building emotional wellbeing and resilience
- ♥ Support with anxiety and low mood
- ♥ 1:1 or group work
- ♥ Advice and strategies for school and home

SPIRITUALITY FOCUS: SHARE SOMETHING WITH AN OPEN HEART

This week, we are reflecting on Mr Carr's Challenge: "Share something with an open heart – your time, your attention, your resources."

We have been thinking about how generosity isn't always about giving money or presents. Sometimes, the most meaningful gifts are the time we spend with others, the attention we give to someone who needs us, or the willingness to share what we have.

Mr Carr has challenged us to think beyond how big or impressive a gift might be and instead ask, "Can I use it with love?" Through small acts of kindness, thoughtful gestures and giving without expecting anything in return, we can live out our Christian vision of Let your love show, remembering that it is the love behind our actions that truly matters.

NURSING NEWSLETTER

PAGE 1

A big welcome to the autumn 2026 term! We hope you had a lovely summer and have settled into the back-to-school routine.

The school nursing service operates Monday to Friday, 9 am – 5 pm, excluding public and bank holidays. You can reach us using the contact details provided at the bottom of the page.

Here's a reminder of what the School Nursing team can support you with:

- Toileting
- Sleep
- Challenges with eating and diet
- Delivering the NCMP for Reception and Year 6 pupils
- Puberty
- Emotional/Mental health
- Managing behaviour
- Hygiene

IT'S TIME TO CATCH IT, BIN IT, KILL IT!

As the weather becomes cooler, we can expect an increase in seasonal illnesses such as colds, flu, and other infections, including Norovirus. With this in mind, we'd like to remind everyone of the importance of practising good hand hygiene and following the "Catch It, Bin It, Kill It" guidance.

Remember to wash your hands thoroughly after blowing your nose, sneezing, or coughing to help prevent the spread of germs and protect those around you.

To refresh your knowledge of effective handwashing techniques, please watch the short video using the link below:

Immunisation

Ensuring your child is up to date with their vaccinations is one of the most effective ways to protect them against a range of serious illnesses. The Immunisation Team will shortly be contacting your child's school with details of their upcoming flu vaccination visit, during which the nasal spray vaccine will be offered.

In the meantime, you can check your child's vaccination status by following the link below:

Firework, Bonfire & Sparkler Safety

- Adults should always supervise fireworks and bonfire displays. Never leave children or young people unattended around fireworks or bonfires.
- Ensure children always remain at a safe distance from bonfires and firework displays.
- Never carry fireworks in your pockets or set them off in streets or on roads.
- Do not approach or attempt to relight a firework that has already been lit.
- Before leaving, make sure bonfires are completely extinguished and safe.
- Always wear gloves when handling sparklers, as they can become hot enough to cause serious burns.
- Avoid waving sparklers near other people, and once finished, place them in a bucket of water to cool safely.

There is a wealth of information available on staying safe around fireworks, sparklers, and bonfires. Please take a moment to review the helpful resources linked below.

Road safety

During the winter months, shorter days and reduced daylight can make it more difficult for drivers and other road users to see pedestrians. This is particularly important during busy school and nursery drop-off and pick-up times, when traffic levels are higher and visibility is often poorer.

To help keep your child safe, it is essential that they are clearly visible when walking near roads, especially in low-light conditions.

Wearing bright or fluorescent clothing during the day can significantly improve visibility. This could be as simple as a fluorescent strip on a coat, a high-visibility vest, or a bright patch attached to a school bag. These small measures can make a big difference in helping drivers spot children sooner and reducing the risk of accidents.

St Alphege C of E Infant School
Extra Curricular Gymnastics Club

Stardust Dance Academy are pleased to be able to offer your child the chance to join our
extra-curricular Gymnastics class, which will be held in your school hall, after school, on
Tuesdays

The classes are open to children in Reception and Years 1-2.

During gym club, you will learn how to warm up and stretch safely and learn different exercises including cartwheels, jumps and rolls. You can get tips on performing the perfect handstand and other beginner gymnastic moves; as well as learning gymnastic positions, stances and sequences. You can also learn some more advanced artistic gymnastic moves, which will improve your eye-hand coordination, by using ribbons. Come along to learn how to put all your work together by learning short routines

The clubs are a great way for your child to get fit, learn technique and learn routines. The classes improve their strength and flexibility, in a fun and friendly environment.

Please send comfortable clothes, such as leggings / joggers and a t-shirt. Please send sticky socks if you have them. If not, gymnasts will have bare feet.
