MESSAGE FROM THE EXECUTIVE HEADTEACHER

Dear Parents and Carers,

A huge thank you to everyone who contributed to our Harvest collection this week. The amount of food that came into school on Monday and Tuesday was absolutely fantastic - together, **we collected over a tonne of food.**

Your donations will make a real difference and will be shared between Helping Hands, the Gurdwara and wider community projects. It has been wonderful to see our school community putting our values into action and showing such generosity and care for others.

There was also plenty of excitement in worship this week as we announced the winners of our Harvest competition. Congratulations to Opal Class and Blue Class, who between them donated 201kg of food! They will be enjoying a special trip to the cinema as their prize!

We also have an exciting week ahead of us, with lots for the children to look forward to. We have our school discos, the Year 4 trip to the National Video Game Museum, and our Manor Adventure residential all taking place. It promises to be a busy and memorable week, and I know the children are already very excited about everything that is coming up.

Thank you again for your incredible support and generosity. It has been a lovely way for us to come together as a community and celebrate Harvest.

Thank you, as always, for your continued support.

Mr Mark Carr

What a wonderful way to show love in action!

ATTENDANCE-OPOLY!

Each week in Celebration Worship we celebrate the class in each school who has had the best attendance over the week.

That class moves around the 'Attendance-opoly' board and can pick up prizes along the way, such as doubling your score, a tasty treat or additional play time!

Every Day Matters

Regular attendance is so important in helping children feel settled, confident and successful at school. Each day builds on the learning from the day before, and even occasional absences can make it harder for children to keep up with new learning and routines.

We completely understand that children will sometimes be unwell and need to stay at home. However, whenever your child is well enough to attend, please help us by making sure they are in school and arrive on time each day. Working together, we can give every child the best possible opportunity to learn, thrive and enjoy being part of our school community.

This weeks attendance was....

Infant and Nursery - Whole School Attendance = 94.1%

Winning Class - Blue class 98.1%

Junior School - Whole School Attendance = 96.1%

Winning Class - Ruby & Topaz class 98.8%

Well done Blue and Ruby & Topaz Class for your winning attendance!

INFANT & NURSERY SCHOOL

Reception and KS1 came together on Wednesday this week for a wonderful harvest service in school, led by Father Nick. We had readings from children in year 2 who reminded us about the importance of giving thanks to God as well as all the people involved in the journey of food before it gets to us. Father Nick was very impressed with the enthusiastic singing and actions of our harvest songs!

Today we celebrated World Mental Health Day with the theme for this year being 'It's good to talk. It's even better to be heard'. Throughout the week each class has been thinking about how giving someone our time, attention and understanding can help them to feel supported and less alone. Each child has thought about who their trusted adults are to talk to when they are worried. The children have been very reflective about how they can listen and support others.

RECEPTION WEEKLY NEWS

It has been another fun week of learning and discovery in Orange and Yellow Class! The children have been exploring Harvest traditions - talking about what they are grateful for and joining together with Key Stage 1 for our Infant Harvest Service. In RE, we introduced the word 'create' as we explored 'God's Very Colourful Creation', inspiring the children to design their own wonderful mini-world creations. In Maths, our mathematicians have been deepening their number sense through our Mastering Number and hunting for groups of three and using the stem sentence: "1 and 1 and 1 makes 3".

PSHE has been at the very heart of our week. Through our core text, The Boy with Flowers in His Hair, the children explored empathy, identifying how David felt when his petals fell and thinking carefully about how to be supportive friends. We reflected on how to use "kind hands" to care for others, and to mark World Mental Health Day, we linked our feelings to expressive art - drawing inspiration from Vincent van Gogh's Sunflowers to paint bold, joyful swirls of yellow alongside quiet, calming sweeps of blue. Some wonderful work has been produced this week and we are very proud of you all.

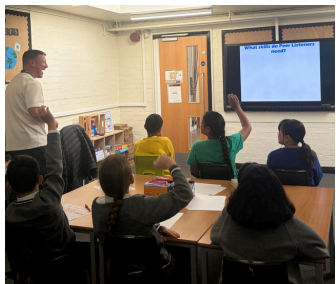

Well done to our Harvest competition winners, Blue and Opal class!

JUNIOR SCHOOL

We have had another wonderful week at the Junior School! This week, we came together for our Harvest Service, celebrating the gift of harvest and giving thanks for all that we have. We have been truly wowed by the generosity of our school community and the incredible number of donations we have received. Next week, we are looking forward to welcoming a visitor from Renewal Church, who will be telling us more about where our donations will go and the difference they will make to people in our local community. Elsewhere in school, Topaz Class have been very busy rehearsing for their upcoming production – we can't wait to see all of their hard work come together!

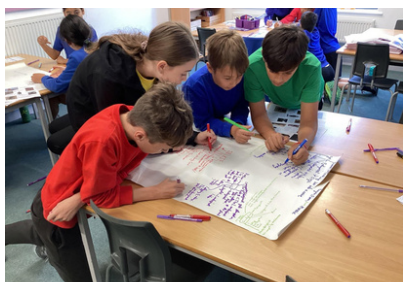

Ahead of World Mental Health Day, we have also been thinking about the power of listening and this year's message: "It's good to talk. It's even better to be heard." On Thursday, our Year 6 Peer Listeners received special training and are now ready to become an additional source of support on our playgrounds, working alongside trusted adults. They will also be leading a new half-termly wellbeing action, helping to make our school an even happier and more supportive place for everyone.

Look out for our Peer Listeners over the next few weeks as they introduce themselves and get started in their new role! Have a lovely weekend, and we look forward to another fantastic week at St Alphege Juniors!

YEAR 6 WEEKLY NEWS

It has been a busy week in Year 6! In Music, children have learned how to play the notes D and E on the clarinets and have revisited musical notation. In PE, we played netball and the children have learned where they can and cannot go on the netball court when playing in certain positions. In Computing, children continued creating their own 'Pong' games, using code to ensure sprites can move correctly on screen. The children's games were very creative and they were able to identify and de-bug any coding issues effectively. This week, Mrs McGowan also visited Year 6 to share more knowledge about the Bayeux Tapestry, and children enjoyed exploring artefacts from the British Museum.

We have been WOWED by the Home Learning in Year 6!

MEET OUR NEW PEER LISTENERS!

IT'S GOOD TO TALK. IT'S EVEN BETTER TO BE HEARD.

At St Alphege, we are blessed with a strong network of caring adults who are always here to listen and support our children. Our Year 6 Peer Listeners work alongside our staff and school leaders as part of our commitment to looking after everyone's wellbeing. They have recently completed special training to develop their listening skills and will be visible around school, ready to offer a friendly, supportive ear.

WHAT DO WE DO?

LISTEN

We give our time and attention.

UNDERSTAND

We show we care and try to see things from another person's point of view.

ENCOURAGE

We are kind, supportive and respectful.

GET HELP

If a worry is bigger, we help you talk to a trusted adult.

OUR FIRST WELLBEING ACTION

As a team, our Peer Listeners will be choosing a wellbeing project for each half-term.

Their first mission is simple: to make sure every child at St Alphege knows who they are and how they can help.

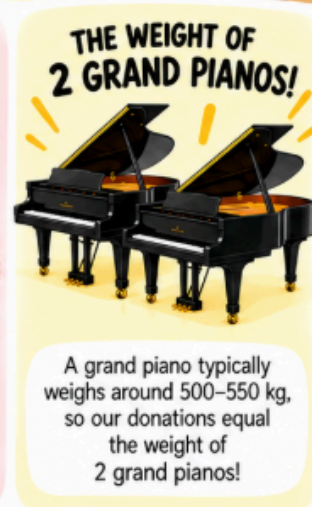

YOU CAN TALK TO A PEER LISTENER IF...

- you're feeling worried or upset.
- you've had a disagreement with a friend.
- you're feeling left out.
- you need someone to listen.
- you're not sure who to talk to.
- you just need a friendly chat.

PLEASE REMEMBER...

- ✓ Peer Listeners will always listen, not judge, and help you think about what to do next.
- ✓ They are **not** counsellors and they don't have all the answers.
- ✓ They **cannot** promise to keep worries a secret.
- ✓ If you, or someone else, is not safe or has a big worry, they will always help you to find a trusted adult to talk to.

Our Peer Listeners can't wait to introduce themselves to you all!

SEND AT ST ALPHEGE

IT'S GOOD
TO TALK.
IT'S EVEN
BETTER TO
BE HEARD

At St Alphege we believe that positive mental health is key to children being happy, confident, and able to learn.

We work together as a school community – children, parents, staff and external agencies – to support emotional wellbeing, build resilience and make sure every child feels safe, valued and heard.

RULER – UNDERSTANDING AND MANAGING EMOTIONS

We use the RULER approach to help children understand and manage their emotions.

R

Recognising emotions in ourselves and others.

U

Understanding the causes and consequences of our actions.

L

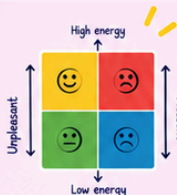

Labelling emotions with the right words.

E

Expressing emotions in healthy ways.

R

Regulating emotions so we can make safe choices.

Children use the Mood Meter to check in with their feelings, notice changes and find strategies to help them feel calm.

PEER LISTENERS

Our trained Year 6 Peer Listeners are an additional source of support on the playground.

- ✓ a friendly listening ear
- ✓ someone to talk to
- ✓ sharing your worries with a trusted adult

Keep an eye out for our Peer Listeners on the playground at break and lunch.

YOUR NETWORK OF TRUSTED ADULTS

All children have a network of trusted adults in school that they can talk to. They are also encouraged to think of other trusted adults in their lives who will listen if they have a worry.

This might include:

- ♥ A family member
- ♥ Their class teacher
- ♥ The Headteacher or Deputy Headteacher
- ♥ A sports coach

EXTERNAL SUPPORT

We work with a number of external agencies when more targeted or specialist support may be required.

SISS – SEMH Team

The Specialist Inclusion Support Service (SISS) SEMH team can offer advice, guidance and targeted support for children with social, emotional and mental health needs.

SOLAR

We can make referrals to SOLAR (CAMHS – Child and Adolescent Mental Health Services) for additional support around emotional wellbeing, anxiety or wider mental health needs.

SPIRITUALITY FOCUS: THE POWER OF GRATITUDE

This week, we are reflecting on Mr Carr's Challenge: "Notice three ordinary gifts and thank the people who help provide them."

We have been thinking about the importance of gratitude and recognising the everyday things we can sometimes take for granted. From the food we eat to the kindness of others, there is so much to be thankful for! Our challenge is not just to feel grateful, but to say it, making sure the people who help us know that they are appreciated.

Through noticing the little things and expressing our thanks, we can help others feel seen and valued, living out our Christian belief that every good gift is something to be thankful for.

PARISH UPDATES

On Thursday, Mr Thomas, Musical Director at St Alphege Church, joined us to tell us all about the wonderful opportunities available through the church choirs. We enjoyed a taster of some of the singing games and songs and heard about the exciting trips and visits the choirs take part in. Mr Thomas also shared how being part of a choir is about much more than singing – it's about working together as a team, having fun and making lifelong friendships.

If your child would like to find out more, St Alphege Church is holding a Choir Taster Day on Saturday 10th October – a great opportunity to give it a try! 🎵

St. Alphege Junior School (Breakfast Tennis Club)

Dear Parents'

I am pleased to offer the opportunity of a **before school breakfast tennis club** for year for all year groups at **St. Alphege School**. Club start time: **7.50am** start **8.35am** finish.

The club will be delivered by **Rob Tattersall (HEAD TENNIS COACH)** from Beechcroft Tennis & Multi-Sports Community Club. All the staff are suitably qualified and have completed a DBS check. Children will need to wear trainers, joggers, a t-shirt and a sweatshirt; this does not necessarily need to be their school PE kit, it is also advised your child brings a drinks bottle with them to each session. Tennis coaching will be outside in the school playground, in the event of wet weather the hall will be used.

Reply slips need to be completed & sent by email to: matt.corp@live.co.uk to **secure your**

place(s). The club is limited, and places will be given on a first come serve basis.

Club dates: Tuesday: 8, 15, 22 & 29 September

Tuesday: 6, 13 & 20 October

Tuesday: 3, 10, 17 & 24 November

Tuesday: 1, 8 & 15 December

The club will cost **£98 per child** and is a **14-week** programme. Bank transfer only payable to **PM coaching services LTD**. Bank transfer details are:

NURSING NEWSLETTER

PAGE 1

A big welcome to the autumn 2026 term! We hope you had a lovely summer and have settled into the back-to-school routine.

The school nursing service operates Monday to Friday, 9 am – 5 pm, excluding public and bank holidays. You can reach us using the contact details provided at the bottom of the page.

Here's a reminder of what the School Nursing team can support you with:

- Toileting
- Sleep
- Challenges with eating and diet
- Delivering the NCMP for Reception and Year 6 pupils
- Puberty
- Emotional/Mental health
- Managing behaviour
- Hygiene

IT'S TIME TO CATCH IT, BIN IT, KILL IT!

As the weather becomes cooler, we can expect an increase in seasonal illnesses such as colds, flu, and other infections, including Norovirus. With this in mind, we'd like to remind everyone of the importance of practising good hand hygiene and following the "Catch It, Bin It, Kill It" guidance.

Remember to wash your hands thoroughly after blowing your nose, sneezing, or coughing to help prevent the spread of germs and protect those around you.

To refresh your knowledge of effective handwashing techniques, please watch the short video using the link below:

Immunisation

Ensuring your child is up to date with their vaccinations is one of the most effective ways to protect them against a range of serious illnesses. The Immunisation Team will shortly be contacting your child's school with details of their upcoming flu vaccination visit, during which the nasal spray vaccine will be offered.

In the meantime, you can check your child's vaccination status by following the link below:

Firework, Bonfire & Sparkler Safety

- Adults should always supervise fireworks and bonfire displays. Never leave children or young people unattended around fireworks or bonfires.
- Ensure children always remain at a safe distance from bonfires and firework displays.
- Never carry fireworks in your pockets or set them off in streets or on roads.
- Do not approach or attempt to relight a firework that has already been lit.
- Before leaving, make sure bonfires are completely extinguished and safe.
- Always wear gloves when handling sparklers, as they can become hot enough to cause serious burns.
- Avoid waving sparklers near other people, and once finished, place them in a bucket of water to cool safely.

There is a wealth of information available on staying safe around fireworks, sparklers, and bonfires. Please take a moment to review the helpful resources linked below.

Road safety

During the winter months, shorter days and reduced daylight can make it more difficult for drivers and other road users to see pedestrians. This is particularly important during busy school and nursery drop-off and pick-up times, when traffic levels are higher and visibility is often poorer.

To help keep your child safe, it is essential that they are clearly visible when walking near roads, especially in low-light conditions.

Wearing bright or fluorescent clothing during the day can significantly improve visibility. This could be as simple as a fluorescent strip on a coat, a high-visibility vest, or a bright patch attached to a school bag. These small measures can make a big difference in helping drivers spot children sooner and reducing the risk of accidents.
