

# Year 2 Writing Checklist

These checklists link to the 2018-2019 National Curriculum Teacher Assessment for Key Stage 1 in writing. They are split into:

- Working Towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth Within the Expected Standard

All of the statements are progressive within and across the year groups, and work on the expectation that the majority of pupils will be working on their own year group's aims.

## How to Use the Checklists

The grids can be used to track the attainment of individual pupils or alternatively, could be used to highlight the progress of groups of students who are focusing on the same development areas or writing targets.

To judge that a pupil is working at a standard in English, teachers need to have ticked and dated evidence throughout the school year which demonstrates that the pupil meets all of the statements within that standard.

## Working Towards the Expected Standard:

Pupil(s) can write sentences to form a short narrative about their own and others' experiences (real and fictional), after discussion with the teacher:

segmenting spoken words into phonemes and representing these by graphemes, spelling some correctly and making phonically-plausible attempts at others	
spelling some common exception words*	
forming lower-case letters in the correct direction, starting and finishing in the right place	
forming lower-case letters of the correct size relative to one another in some of the writing	
using spacing between words
