## Syllables

1) Use the pattern vc/cv to mark these words as a vowel or a consonant like this: suf/fix

2) Separate them after the first consonant: **suf fix**

3) The vc/cv pattern means that the first vowel says its sound; that is "o" as in octopus. (remember that **y** is sometimes a vowel)

4) Divide these words using the vc/cv pattern

steadfast.....

tactic.....

tabloid.....

traffic.....

**Remember the cv/vc pattern?** Separate the vowels using the cv/vc pattern e.g. ri/ot and the **first vowel** says its name i.e. "i" in item.
