

W/C 08.06.2020: Learning Project – World Oceans day!

Age Range: EYFS Nursery

Weekly Reading & Phonics Tasks

Continue reading and discussing a book each day. Characters, setting etc.

Practice hearing and saying the initial sounds for sea creatures 's' for seahorse. 'j' for jellyfish, 'w' for whale. What other words begin with these sounds?

Weekly Writing Tasks

Continue to practice writing their name, with a good pencil grip and correct formation of the letters. If they have already achieved this, can they write their surname?

Handwriting practise – Practise drawing **anticlockwise circles** this is the pattern we use to form letters. An oval body shape is recommended with a 2 o'clock starting position for all anti-clockwise ovals: (o, a, g, d, c).

Focus: o, a, g, d, c show your child how to write the letters correctly. Get them to trace over the letters using different colours, starting on the dot and moving around the letter the correct way.

If your child needs help with their control and grip doing activities such as using playdough, cutting and opening clothes pegs will help.

Weekly Maths Tasks

Begin to add two single digit numbers record the calculation

- Using buttons, counters, sweets, grapes, demonstrate and then get your child to put a select number of items in 2 groups. (please keep it simple 2+2, 4+1 etc)
- Help your child to use the words: equals, add.
- Add the separate groups up, what do they notice?
- Continue to work on number recognition to 10 if this is not secure.

Create number cards and get your child to attach the correct number of pegs to the card.

Learning Project – Ocean week 8th June 2020

World Ocean Day 8th June 2020: Talk about the ocean, how important it is and what creatures and animals call the ocean their home.

The children can also talk about our trip to the Sea life centre, what do they remember seeing? What was their favourite animal that they saw there?

Make their favourite sea creature. They can use items such as cardboard, Playdough or Lego.
