

Miss Murphy

Einstein (Year 3)

I have been teaching for 2 years and started my journey here at St Alphege Junior School and I love it! I have a pet dog called Tyson (we call him Ty for short). We love going on long walks in the country side and he certainly enjoys the extra sausages he gets! I love food but chocolate has to be up there with my favourite of all! I love PE and dancing so you will **definitely** see me dancing around the classroom.

Something to look forward to in Year 3...

We teach many exciting topics in Year 3 including, World Explorer, The Flintstones (Stone Age - Iron Age), Transport and Extreme Survival. You can look forward to the different trips we have planned for these!

Our Junior School have a 'house' system based on four Saints (Aidan, Alban, Bede, Columba) and you gain house points for excellent work and behaviour. Fortnightly, house points are collected and the winning house announced!

You will get to meet Mrs Nightingale, Year 3's teaching assistant who is amazing at art! We will learn, have fun and be the best team we can!

I enjoy teaching because...

- No day is ever the same!
- No matter how I am feeling, children will brighten my day.
- I love getting to know children for who they are not just what they can do.
- I love seeing pupils be proud of their work and achievements.
- Smiling and laughing with children gives me the best feeling inside!
- To inspire and share my knowledge
- It is the most rewarding job of all!

My top tips for Year 3...

- Be organised. Try to have all your equipment for the day including a glue stick.
- Don't forget your PE kit.
- Be a role model to others by following our school values and rules.
- Take part in different clubs if you can.
- Demonstrate a positive attitude to learning, even when sometimes things seem tricky.
- Be ready, safe respectful!
