

Miss Pinfold

Edison (Year 4)

I have been teaching for two years and started my journey here at St Alphege CofE Junior School. I live in a small village in Warwickshire where I am fortunate to be surrounded by beautiful countryside. I have always enjoyed going on long walks with my family and more recently I have started running. Music is an important part of my life so I often play music during lessons to help my class focus whilst also having fun!

Something to look forward to in Year 4...

In Year 4 we learn about lots of exciting topics including the Ancient Greeks, the Romans and World Kitchen (you might even get the chance to try some food from around the world!)

I love being active and teaching outside. We will often take our books onto the playground or the school field to complete a piece of work outside in the sunshine.

You will have the opportunity to work with Mrs Connolly, our wonderful teaching assistant in Year 4 who is extremely kind and creative. She loves art and will share many stories of her gorgeous dog Wilma.

I enjoy teaching because...

- Every day is an adventure and no two days are the same.
- Sharing new knowledge and information with children is very rewarding, it is lovely to see something finally 'click'.
- I love creating a team environment within my classroom. Edison Class is an extremely supportive place to be.
- Children are full of surprises and no matter how I am feeling, they always brighten my day.
- I love getting to know children and learning about their lives beyond the classroom.

My top tips for Year 4...

- Be organised. Try to remember all of the equipment you need for each day and bring it into the classroom with you so that you are ready to learn.
- Have a positive attitude towards your learning, even if you find it tricky at times.
- Embrace your new class and be a part of our team spirit
- Remember to always be ready, respectful and safe.
- Keep smiling, we are going to have a fantastic year!
