

**Miss Shilvock**

**Hawking (Year 5)**

**About me...**

I have been teaching for 8 years and I love it! I have taught Years 2, 3, 5 and 6 before. I have a pet cat called Tilly who I absolutely adore. I really like gardening and have grown a range of flowers in my garden this year including Sunflowers. I am a very clumsy teacher, so chances are I will probably fall over in the classroom at some point.

**Something to look forward to in Year 5...**

We have some brilliant topics in year 5, Tomb Raiders (Ancient Egyptians), Let the Battle Commence (Anglo Saxons) and Hola Mexico! (Ancient Mayans). You can look forward to my clumsiness.

I love teaching through Art and Drama. I love teaching outside, playing rounder's and being active.

You will hear lots of stories about my cat Tilly. You will get to work closely with Mrs Harper, who will share stories about her children, her dog Hattie and being Welsh!

**I enjoy teaching because...**

- Every day is unique!
- I love when children finally understand something, I call it the "light bulb moment".
- When children produce a fantastic piece of work that they are proud of.
- I love laughing with children, some of my pupil's one liners and jokes really make me giggle.
- I love working with a team and being imaginative and creative.

**My top tips for Year 5...**

- Be organised! Try to have a homework folder, a pencil case with: 2 pens, 2 pencils, a ruler, glue stick, rubber, sharpener and scissors.
- Bring your homework in on Thursday. If you haven't completed it, we would far rather you be honest with Mrs Harper and I.
- Be ready to laugh and ready to learn!
- We check reading diaries every Friday. Try to read at least 3 to 4 times to an adult
