

**Mrs Foord**

**Galileo (Year 5)**

### **About me...**

Hello,

I have been teaching a long time and spent many years teaching overseas. I have lived all over the world, USA, Kuwait, South Korea, Romania and of course England (where I was born).

I have two big children of my own, Alex (aged 18) and Emily (age 16), plus a cat called Tilly. I love hanging out with my children, we love watching Harry Potter together, playing board games in the evening and sharing jokes.

### **Something to look forward to in Year 5...**

Being in Year Five is fantastic, as you are now in upper Key Stage Two, which means that you get to be role models for the children in year 3 and 4.

We also get to have a two night visit to London, where we visit the Houses of Parliament and get to see a West End show.

We have so many fun topics from learning about the Ancient Egyptians and Ancient Maya to Yes Minister (which is when we go to London)

### **I enjoy teaching because...**

I have been teaching for a very long time and have taught children in every single year group from Reception all the way up to Year 9. This means I am really good at helping you wherever you are on your learning journey. It makes me really happy when I see that you 'got it' when at first you struggled.

I love teaching because I love to learn and by being a teacher, I get to learn something new every day. I especially love our topic work.

### **My top tips for Year 5...**

- Come with a 'can do' attitude
- Be organised and have everything ready to learn
- Be positive and be ready to explore new learning
- Show kindness
- Be a good role model for the younger children
