

Name: Mrs Harper

I work in year 5

About me...

I live in Dorridge with my husband and my children who are 16 and 14. We have a dog called Hattie and a cat called Daisy. They are both bonkers!

I love reading, baking, dog walking and watching films with my family.

I grew up in Wales and you will discover that I talk about Wales a lot!

What makes year 5 great....

Year 5 is great because we have lots of interesting topics and we do lots of fun activities. We have a lot of laughs in year 5! I love learning about the Ancient Egyptians and the curse of Tutankhamun's tomb. One of the best things about year 5 is the amazing trip to London, where we go to a West End show and hopefully the Houses of Parliament, which is very exciting.

Why I love working in school...

I love working in school because it's like one big family. We all help each other and look after each other, children and adults alike.
