

Name: Mrs Lyth

I work in year 5

About me...

I live in Solihull with my husband, two children and our cat called 'Tilly'.
I enjoy walking, playing tennis, dancing and cooking. Spending time with my family is very important to me.

What makes year 5 great....

During the year, there are some lovely school trips which are relevant to the topics we are studying. We learn some different skills in PE and have lots of fun as we learn.

Why I love working in school...

I love helping children with their work and watching them grow in their knowledge as they move through school.

I'm here to help you with ...

...understanding the bits that you find a little more tricky.
