

Name: Mrs Melrose

I work in year 6

About me...

I've worked in St Alphege for 15 years. I've worked in all years. I love history and geography but also enjoy challenging maths puzzles.

What makes year 6 great....

In the past, Manor Adventure started the year off with a bang! But we have so much fun with sport and games. Being top of the school means responsibilities for you. Our topics are exciting and we've put on a plays in the past during the summer term.

Why I love working in school...

The children and teachers make working in the school so much fun.

I love the look of a child's face when they feel they have achieved something they never would.

I'm here to help you with ...

... all your learning - whatever the subject I'm here to help.

I've got years of experience and I love to learn something new every day.
