

Name: Mrs Prescott

I work in year 4 this year

About me...

I live in Solihull and I have three children and two dogs!

I love going for long country walks and spending time with my family.

What makes year 4 great....

I have never worked in year 4 before but I have heard they go on a few awesome trips, so I am very much looking forward to that!

Why I love working in school...

I love to see all your smiley faces in the morning ☺

I enjoy watching you all learn and grow in confidence.

I'm here to help you with ...

... any class work you need help with.

I am also a good listener so I am here for you if you need to talk about any worries you may have.
