

Name: Miss Smith

I work in year 3

About me...

I am a bit cheeky and I like to help the classroom be a fun place to learn. I am also a good listener and try to help the children with any worries. In my spare time I love going for big walks and watching films. I also DJ as a hobby and music is my favourite thing, as well as dancing!

What makes year3 great....

Year 3 is when we begin to realise who we are and what is important to us. We take further steps in our school life and our faith to help us on the path to growing up. In year 3, we will be learning about lots of interesting topics that allow us to find out more about our world and history, along with some fun day's out!

Why I love working in school...

I love seeing the children everyday who come in and are ready to learn. I have worked with some of the children since year 1 and I've loved seeing them grow and mature, I feel very lucky that I can continue my own journey through school with you all and especially lucky that I will be joining some of you in your class!

I'm here to help you with ...

...absolutely anything!

If you need help in the classroom or finding anything tricky I will be there to guide you. If you are worried about anything at all I will always try my best to try to help you find a way to sort things out.
