

Nursery Newsletter

Dear Parents and children,

We hope you are all well. Below you will find the home learning grid for this week. As this is the final week, we will be looking at transitioning into Reception.

Weather appropriate clothing

We have had changeable weather in the past few days, please make sure your child is wearing clothes to reflect this. If the temperatures do soar again, please make sure your child has had sun cream applied before coming into Nursery and that they have a sun hat to wear outside.

Transitions

As we come closer to the time to say goodbye to the Nursery children, we have developed a plan below focusing on transitions as a point of discussion as well as providing activities to do with your child. This is a time of change but also an exciting time and it is important that you talk regularly to your child about going to 'big school' in September.

Goodbye Mrs. Capezio

It has been a delight to have Mrs. Capezio in the Nursery team, however she is moving on to pastures new. We will definitely miss her a lot and we appreciate all she has done for both the staff and the children at St. Alphege Nursery. I am sure you will join us in wishing her well for the future. Goodbye, good luck and thank you Mrs. Capezio.

Goodbye Nursery

This year the teachers have a present for the children, a framed photo to show just one of the great happy memories we have had together in Nursery. This can be collected from the school office before the 17th July.

If your child is **not** returning in September please call the office and arrange to collect any work, wellie 's P.E kit etc.

We are so proud of our Nursery children this year, they have settled well into the routines of the day, taken part in activities and always tried their best. The children have been great, but we also appreciate the help of the parents. We wish you all the best for your start in your new Reception class, God bless.

Mrs.Singh and Mrs Furmage

*God bless and
stay safe*

W/C 13.07.2020: Learning Project – Transitions

Age Range: EYFS Nursery

Weekly Reading & Phonics Tasks

Continue reading and discussing a book each day. Characters, setting etc.

Practice hearing and saying the initial sounds: n, m, h and r.

Weekly Writing Tasks

Anti-clockwise letter and letter that go up, down and up again

Review writing anti clockwise letters

“o’ ‘c’ a’ ‘d’ ‘g’

Letters which start at the top go down and then back up.

n m h r

Also please keep practising writing their name.

Weekly Maths Tasks

Maths scavenger hunt

On a sheet of paper draw a circle with the number inside (1-10) the children then have to find objects and put the correct amount in each circle. To challenge the children, you could go up to 20 objects.

Also practise writing the numbers.

Learning Project – Transition

There are some great resources on BBC bitesize about starting primary school:

Please watch this video:

<https://www.bbc.co.uk/bitesize/topics/zhtcvk7/articles/znc9vk7>

There are some activities that you could do with your child. Could you please complete the 'all about me sheet'. The children in school will be working on this sheet during the nursery sessions this week, but we would like those at home to also do one for their new teacher. This then can be taken into school on their first day back.

<https://www.bbc.co.uk/bitesize/articles/zdttt39>

There are some good personal, social, and emotional resources on Espresso also:

https://central.espresso.co.uk/espresso/primary_uk/subject/news/video/item718678/grade1/index.html?source=search-all-F-all-all&source-keywords=first%20day%20at%20school

This is a lovely story to read with your child about a first day at school- A big day for Migs:

https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item1167509/grade1/module1102907/index.html?source=search-all-F-all-all&source-keywords=first%20day%20at%20school
