

Name: Miss Caughey

Class: Galileo (Year 5)

About me...

Hi all! I'm Miss Caughey and I absolutely love my job! My favourite subjects to teach are Computing, Maths and History. In my spare time, I enjoy walking and shopping. Recently, I have started baking. I love making chocolate orange brownies ☺ I also enjoy going to the gym and playing with my lively cat, Amber. During the school holidays, I try to do lots of travelling. I enjoy visiting famous landmarks.

Let's get excited about September!

I think you'll really enjoy being in a new class with children who you may not have met before. We have many exciting topics, including Space and Ancient Egypt. There will also be lots of opportunities to use our exciting range of computing equipment, including iPads and Chromebooks ☺

I enjoy teaching because...

I really enjoy the variety of subjects that I plan and teach. Every day is different so my job is very fun and interesting. I love getting to know my pupils throughout the year and learning about their hobbies and interests. It is also such a joy to see beaming smiles when something new has been learnt! ☺

My top tips for Year 5...

- Get to know as many of your peers as you can
- Try your hardest- that will always be good enough!
- Approach learning with resilience, even if it is challenging at first
- Have a go at trying new things, you may realise that you have more interests than you first thought
- Be kind, forgiving and honest ☺
