

Name: Miss Murphy

Class: Edison (Year 4)

### All about me

I have a pet dog called Ty and we love going on long walks in the country side. I LOVE food (you will hear me talk about it a lot) but chocolate has to be up there with my favourite of all! I have a passion for PE and dancing so you will **definitely** see me dancing around the classroom.

### Let's get excited about September!

As well as this being a new year group for you, this will be a new year group for me! Year 4 will be new and exciting for us all and I can't wait to share memories!

There are many exciting topics in Year 4 and I'm looking forward to exploring these with you! We will learn, have fun and be the best team we can be!

### I enjoy teaching because...

- No day is ever the same!
- No matter how I am feeling, children will brighten my day.
- I love getting to know children for who they are not just what they can do.
- I love seeing pupils be proud of their work and achievements.
- Smiling and laughing with children gives me the best feeling inside!
- To inspire and share my knowledge
- It is the most rewarding job of all!

### My top tips for Year 4...

- Be organised. Have all your equipment for the day.
- Don't forget your PE kit.
- Be a role model to others by following our school values and rules.
- Take part in different clubs if you can.
- Demonstrate a positive attitude to learning, even when sometimes things seem tricky.
- Work as part of a team!
- Be ready, safe respectful!
- Keep smiling! ☺
