Class: Newton (Year 3)

All about me

I love reading and one of my best times of the day is sharing a book during story time. Some of my favourite authors are Enid Blyton, Roald Dahl and Julia Donaldson. I also enjoy going on long walks and bike rides with my family and I love the colour turquoise. I have my own little boy called Henry who's 6 and a little girl called Evelyn who is 4. They both go to a different school in Solihull, but you'll probably hear me talking about them!

Let's get excited about September!

I'm really looking forward to being with you in Newton Class each Friday. Try your best in all you do and show kindness and perseverance and we'll have a super year together! I do hope you are excited about starting in Newton Class. I haven't been in Year 3 before either so we'll all be learning new things together! I already know some of you from when I taught you in Year 1 and it's nice to have some friendly familiar faces. I can't wait to get to know those of you who I haven't taught yet! I've heard Year 3 have some really exciting topic and projects, and I'm hopeful that we'll be able to go on some trips together to help us with our learning which will be brilliant fun.

I enjoy teaching because...

- I love helping children to believe in themselves and understand the power they have in them to make a positive difference to the world.
- I enjoy learning. I am constantly learning new things as well!
- We all learn differently and I love helping children to learn in their own way.
- I feel so proud when a child comes up with a brilliant creative idea of their own.
- It is never boring!

My top tips for Year 3...

- It's not about being the 'best' at everything. Remember that everyone has talents and skills for different things.
- A lot can be said for being kind, hardworking, patient, polite, helpful, honest... The list goes on! It is these attributes that will help you to succeed at being the best version of you.
- Treat others how you want to be treated.
- Try your best in everything. Your best is enough!
