

Name: Mrs Jones

Class: Sharman (Year 4)

All about me

I love animals and have a Tortoiseshell Cat called Skye. I enjoy lots of physical pursuits including walking, cycling, swimming, yoga and gardening. I also enjoy going to the theatre, live music events, art galleries and the cinema. I am learning to play the guitar too.

Let's get excited about September!

There are so many wonderful things we do in Year 4, too many to cover in just a few sentences. In English, we read *Charlie and the Chocolate Factory* and have an opportunity to design and make our own chocolate bars. We also read *Wind in the Willows*, as well as learning about the adventures of Toad, Ratty, Mole and Badger, we get to visit two local rivers. In maths, we learn all our numbers up to 10,000 and do 4-digit calculations. We also enjoy the challenge of TTRockstars battles between the classes! We are transported to Ancient Greece and learn about the travels of Odysseus and the Trojan War. We also learn about the Romans.

I enjoy teaching because...

I love working with children. I believe in lifelong learning and I have had an opportunity to learn lots of amazing things from all the children and teachers I have worked with and taught in many Solihull Schools. Every day is different and I feel very privileged to have such a wonderfully fulfilling job.

My top tips for Year 4...

- Always try your best.
- Listen carefully to all members of your class because you can learn such a lot.
- Be kind to yourself and others.
- Have fun!
