Attendance Policy

Federation of St Alphege Church of England Schools Pupil Attendance Policy

Introduction

Regular school attendance is essential if children are to enjoy their education and make good progress.

At the Federation of St Alphege Schools we believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

Some pupils find it harder than others to attend school. This policy sets out how school staff will work with pupils, parents, and partners to promote, encourage and support regular attendance at school and remove any barriers to attendance.

Aims

- To set clear expectations and aspirations that all pupils have a high standard of school attendance and punctuality.
- To improve children's attainment through good attendance.
- To make attendance a priority for everyone.
- To ensure there is a clear process to identify and address emerging attendance concerns
- To work effectively with parents, pupils, and partners through building trusted relationships to work together to remove barriers to attendance.

To achieve these aims for our pupils, we are committed to the following:

- a welcoming, stimulating and safe learning environment for all staff and pupils;
- to listen to parents and pupils to understand barriers to attendance
- to build trusted relationships with parents and pupils where attendance concerns can be discussed, understood.
- high expectations of our pupils and all staff;
- a broad, balanced and exciting curriculum;
- recognise and celebrate achievements in all areas of school life;
- equal access to all aspects of the curriculum and school life;
- high quality teaching using the principles of Quality First Teaching
- the St Alphege Pledge- providing experiences, which will develop our pupils' spiritual, moral and cultural understanding;
- investment in support, guidance and training for all those who teach and work with our children;
- to foster and maintain links with our local Parish and wider community

Expected Levels of Attendance

Attending school regularly and on time has a positive impact on learning, progress and therefore the best life chances for pupils. Research shows that attendance and punctuality are important factors in school success.

Attendance Partnership Expectations

We expect the following from all of our pupils:

- To attend school regularly.
- To arrive on time and appropriately prepared for the day, having eaten breakfast;
- To talk to a member of staff about any problem or reason that may prevent them from attending school.

We expect the following from parents and carers:

- To ensure their children attend school regularly and punctually;
- To ensure contact is made with school, as soon as is reasonably practical (on the same day), whenever their child is unable to attend;
- To ensure that their children arrive in school well prepared for the school day, having eaten breakfast.
- To talk to a member of school staff about any problem or reason that may prevent them from attend of school.

Parents and pupils can expect the following from school:

- Prompt and proactive contact with parents when a pupil fails to attend school without providing good reason;
- Regular, efficient and accurate recording of attendance
- To be inform if a pupil's attendance falls below expected levels
- To be listened to and to know that we understand the barriers to school attendance and offer appropriate support/agree appropriate plans to improve attendance.
- Follow up support if needed.

Roles and Responsibilities for Attendance

- The Federation of St Alphege Church of England Schools has a senior staff member, who is designated as the Attendance Champion who has responsibility for attendance issues.
- Members of school staff, both teaching and non-teaching, have responsibility for attendance issues in school.
- If you have a concern about your child's attendance your first point of contact is Mrs Loretta Connelly, Family Support Worker

- Attendance matters are reviewed by the head teacher and members of the senior management team.
- Attendance issues are reported, on a minimum termly basis, to the Governing Body.
- School will liaise with the Local Authority Attendance Support Team at a minimum, termly
- School uses Central School Attendance and Welfare Service Ltd (CSAWS) to support the school with the processes associated with children's attendance at school. School employ CSAWS to provide the legal monitoring services and support that will help reduce the number of persistent absent pupils and improve whole school attendance.

Procedures

Our school procedures follow the expectations set out by the Department for Education in the guidance Working Together to improve school attendance (September 2022).

Our procedures are based around the principles and stages of:

- Preventing poor attendance
- Early intervention and Early Help to address early patterns of poor attendance and agree ways to improve
- Targeted interventions (including Early Help and Formal interventions) for those children who are persistently absent or severely absent
- Understanding barriers to individuals' attendance and agree individual plans for children with specific needs.
- Formal Statutory Interventions where support has not been effective or engaged with.

Where attendance has deteriorated rapidly, there are concerning patterns of absence, a number of unauthorised absences, or parents have not responded to concerns raised a referral may be made straight to CSAWS. Referrals will be made to the Education Enforcement team for the issue of penalty notices where pupils have 10 or more unauthorised absences.

Parents of registered pupils have a legal duty under the Education Act 1996 (sec 444) to ensure that children of compulsory school age attend school on a regular and full-time basis. Permitting unauthorised absence from school is an offence and parents may be reported to the Education Authority if problems cannot be resolved by agreement.

All children, regardless of their circumstances, are entitled to a full time education that is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education in their area.

Parents are responsible for ensuring their children receive education. Estranged parents with whom the child has had regular contact may be prosecuted as well as the day-to-day carer. Each situation must be dealt with on an individual basis, always remembering the welfare and safety of the child is the paramount concern. The term 'parent' also includes those who are not a natural parent but have parental responsibility for the child as defined by the Children Act 1989 or who have care of the child as defined by the Education Act 1996.

School Day and Punctuality

It is important that pupils are punctual so that they do not miss out on the beginning of each school day. Children must attend on time to be given a present mark for the session.

If a pupil arrives late to school every day, their learning begins to suffer. Below is a graph showing how being late to school every-day over a school year adds up to lost learning time.

	Infant School	Junior School
To access the most from the school day we ask parents to ensure that their children are in school for:	Doors open at 8:45am Doors shut at 8:55am	Gates open at 8:35am Gates shut at 8:50am
Children arriving after this time will be late for school and have to report to the school office:	8:55am	8:50am
School registration will close* at:	9:15am	9:10am

**Where a pupil arrives after the register closes, this will be classed as an unauthorised late absence (code U as per DFE compulsory attendance codes).*

The registers are monitored daily and identify pupils who are arriving late. Regular late arrival for school will be challenged as not acceptable. Pupils who have 10 or more U codes will be referred to the Education Enforcement Team for the issue of a penalty notice.

Absence

If a child is absent from school parents should contact the school on the first day of absence (and every day of absence- due to safeguarding) to inform the school of the reason for absence. Parents are expected to maintain contact with the school throughout the absence.

At 9.15am school registers are checked for any absences where there has been no contact by parents and reason given.

School staff will send an email to parents to ascertain a reason for the child absence from school.

If staff are concerned about a child's absence or there is no response to email, they will follow the process in detailed in Appendix 1. This includes telephone calls to parents, other emergency contacts, home visits, referrals to the CSAWS Attendance and Welfare Officer and to the police for a safe and well check.

Where school staff have concerns about a child, they should use their professional judgement and knowledge of the individual pupil to inform their decision as to whether welfare concerns should be escalated (DFE Attendance guidance 2022).

It is imperative that up-to-date contact numbers and details are provided to school.

Schools are required to hold more than one emergency contact per child (KCSIE 2022). Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides.

Illness:

Not all illness requires an absence from school. For minor childhood ailments such as coughs, colds, ear aches we would not expect children to be absent. However, when a parent makes the assessment that their child is unfit for school, they should follow the above absence process.

It is a school's decision whether to accept a reason for a child's absence and whether to authorise that absence. In the majority of cases, a parent's explanation of their child's illness can be accepted without question or concern. In circumstances where there are concerns about a child's attendance or reason for absence, further evidence of a child's illness may be requested.

School will challenge parents' statements or seek additional evidence if they have any concerns regarding a child's attendance.

Not only is it good practice to have clear systems in place to escalate any concerns about high levels of absence due to illness, but this can also support parents and pupils if they then need to access additional services in order to provide additional support, for example in the case of long term illness.

The types of scenarios when medical evidence may be requested include:

- Child is absent and a pattern of one-day absences is forming due to reported illness
- Child is absent and the same reasons for absence are frequently repeated
- Child is absent and attendance is below expected levels and there is a concerning pattern of absence/reasons for absence.
- Where there is a medical issue and school may need evidence to seek additional support/provide support

Medical appointments:

Parents should avoid making routine medical appointments and dental appointments during the school day. In the majority of cases, appointments can be made outside of the school day/during the school holidays.

Where appointments have to be taken during the school day, only the time for the appointment and travel to and from will be classed as an authorised absence. Pupils are expected to return to school for the remainder of the day/attend school prior to the appointment.

Parents are required to provide a copy of the appointment letter or card prior to the day of the appointment.

Other reasons for absences:

Other reasons for absence must be discussed with the school on each occasion. Notes will not necessarily be accepted as providing valid reasons. The school will follow DFE guidance and not authorise absences for shopping, birthdays or child minding.

Religious Observance:

School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance. It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body. However, parents are requested to give advance notice to the school if they intend their child to be absent. Religious bodies maybe contacted to verify these occasions.

Traveller Absence:

The aim for the attendance of Traveller children, in common with all other children, is to attend school as regularly and as frequently as possible.

School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must advise school of their forthcoming travelling patterns before they happen; and inform the school regarding proposed return dates

School will authorise absence of Traveller children if their parent(s) are engaged in a trade or business that requires them to travel from place to place and has given indication that they intend to return.

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil.

Requests for Leave of Absence (exceptional circumstances)

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 have amended Regulation 7 of the 2006 Regulations to prohibit the proprietor of a maintained school granting leave of absence to a pupil except where an application has been made in advance and the proprietor considers that there are exceptional circumstances relating to the application.

Procedure for requesting a planned absence:

- All leave of absence requests will be unauthorised unless the circumstances are exceptional. A parent/carer should complete an absence request form (Appendix 2) and submit this to the school at least two weeks prior to the date required. School will respond to the request within two weeks. If school is aware of any language difficulties that may preclude a request form being completed appropriate support will be offered to the parent/carer.
- DFE guidelines make clear that leave of absence during term-time should be regarded as exceptional. An example that can be given is that during 2012 London Olympics all police leave was cancelled. As a result for that specific timeframe it was agreed that requests for leave for

the children of Police officers affected by the cancellation of their leave would be treated as exceptional.

- If a parent/carer considers they require their child to have a leave of absences for exceptional circumstances they should complete the absence request form which can be obtained from the school office (Appendix 2). There is a requirement that parent/carers provide evidence of the exceptional circumstance and may be required to meet with the Head teacher .
- Where the head teacher is satisfied that there are exceptional circumstances to warrant the request of the leave of absence but has additional concerns such as the timing of the absence, the pupils attendance record, they may use the absence leave calculator
- If the Head teacher deems that the reasons for the request are exceptional and authorises the absences a letter confirming that the request has been authorised will be sent to the parent/carer (*appendix 3 : model pro forma*)
- If the Headteacher deems that the reasons are not exceptional and the leave of absence will not be authorised. A letter informing the parents of this decision for each child and warning of the legal implications of the absence been taken will be sent to each parent. The letter provided in this guidance (appendix 4) must be used.
- If once notified in writing of the decision to unauthorise the leave of absence, the absence is taken it will be marked as an unauthorised absence on the pupils register. If the trigger of 10 unauthorised absences (sessions) is met then the absences should be referred immediately to the Education Enforcement Team for consideration and could result in the issue of a fixed penalty notice.

Reintegration of Long Term Absentees

Absence can significantly interrupt the continuity of students learning, and positive strategies should be employed to minimise such effects.

Key Principles:

- We should always keep in touch with a student/and his/her family during a long absence.
- We should always make sure he/she is welcomed back
- We should never make sarcastic comments about an absence – a thoughtless word can destroy hours of work by staff.

Head Teacher and SENCO to consider a phased return where appropriate. This needs to be considered in line with the Solihull LA process and procedure, which includes seeking expert advice from relevant professionals and co ordinating a multi-agency meeting. Consideration needs to be given to any special needs the pupil may have and appropriate support identified. Consideration must be given to a package of support which may include providing a mentor.

Class Teachers should ensure that the pupil feels welcomed back to school in an appropriate way and take any necessary steps to support their re-integration.

Attendance, Safeguarding and Children Missing Education

A child missing from education is a potential indicator of abuse or neglect. School should follow the school's procedures for dealing with children that go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation and criminal exploitation, and to help prevent the risks of their going missing in future.

All schools are required to make the local authority aware of every registered pupil who fails to attend school regularly and any children who have been absent from school, where the absence has been treated

as unauthorised for a continuous period of not less than 10 school days education (Pupil Registration) (England) Regulations 2006 regulation 12).

Schools are permitted to remove compulsory-school-aged children from roll on the limited grounds set out in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 as amended by the Education (Pupil Registration) (England) (Amendment) Regulations 2016.

Removing a child from the school roll is a very important decision. Children who fall out of the education system are likely to have poor outcomes and may be exposed to increased risk of harm. Schools must follow correct procedures to ensure that they do not breach their legal and safeguarding duties.

In September 2016, the Department for Education updated the [statutory guidance](#) to reflect the 2016 amendments to the Education (Pupil Registration) (England) 2006 Regulations.

All schools (including academies and independent schools) must notify their local authority when they are about to remove a pupil's name from the school admission register under any of the fifteen grounds listed in the 2006 regulations (as amended). Schools must make reasonable enquiries to establish the whereabouts of the child jointly with the CME officer, before deleting the pupil's name from the register if the deletion is under regulation 8(1), subparagraphs (f)(iii) and (h)(iii).

This attendance policy is part of a broader suite of safeguarding policies including the school's Child Protection Policy and Procedures.

Alternative Education Providers

On rare occasions, a small number of pupils may be accessing an alternative education provider agreed by the school for all or part of their timetable. In this instance the pupil remains on roll at either St Alphege Infant or St Alphege Junior School, as appropriate. Attendance to approved alternative providers is monitored and reflected on school registers. The responsibility for ensuring pupils are safeguarded and receiving appropriate education remains with the Federation of St Alphege Schools.

Registers

An accurate and consistent registration system is crucial both to provide a solid foundation for analysis of absence and to support any statutory interventions.

The register is a legal document and must be kept accurately. Attendance registers will be kept in accordance with legal requirements, local authority guidelines and school regulations

Every half day of absence from school has to be classified by the school as either authorised or unauthorised. Authorised absence can be given only when the head teacher has either approved in advance for a pupil of compulsory school age to be away or has accepted an explanation offered afterwards as satisfactory justification for absence. All other absences, including persistent lateness, must be treated as unauthorised.

Absence can only be authorised by a person designated to do so by the head teacher [see The Education (Pupil Registration) (England) Regulations 2006 (SI No.2006/1751) – reg 7(1)].

There are procedures in place to resolve unexplained absences within two weeks. School complies with and uses the DFE Compulsory National Attendance Codes to categorise absence (Appendix 5).

Use of Attendance Data

All schools must provide their attendance data to the DFE, most schools use their management information systems to send their data via school census. The figures returned are then published by the DFE as part of the annual publication of school statistics.

We collect, use and store attendance information about our pupils and may receive information about you from your previous school. The information we keep regarding attendance includes name, contact details, attendance records, late records and any relevant medical information.

Attendance is reviewed at a minimum half termly, where there is cause for concern, this information is shared with CSAWS during regular attendance meetings held at school. CSAWS then follow up attendance concerns with parents and carers on school's behalf.

Information regarding attendance concerns may also be shared with the Local Authority as part of statutory processes and in Attendance Targeting Meetings at least termly in line with "Working together to Improve Attendance 2022"

The Head teacher will analyse attendance data half termly for whole school and groups of pupils. This will be shared with governors and used to inform the strategic plan to improve school attendance. Attendance Data will be shared with class teachers in preparation for Pupil progress reviews and parents' evenings and to target interventions.
